Community Futures Boundary partnered with The Boundary Country Regional Chamber of Commerce and the City of Grand Forks to host the 2014 Business Excellence Awards in October celebrating Small Business Week. This was our largest turnout to date with over 200 people attending and the community partners shared the expense of the event.

Community Futures Boundary showcased the success of 4 local business development loan clients in a video produced for Social Media and our CF website. Featured were a long-term repeat client, an EDP client, youth client and SE Benefit client.

Community futures Boundary hosted two business succession planning workshops with 35 attendees, through the partnership with Venture Connect thereby giving local businesses ready for succession sale exposure to foreign investors. 32 business listings were obtained for the “Buy BC Business Buyers Guide-winter 2014/2015”.
