

1st Annual BIZ CONNECT | 2019

Together Community Futures Boundary and the Boundary Country Regional Chamber of Commerce are proud to introduce the 1st Annual Biz Connect. This year's event will be a sample of what is to come in the following years, and is our collaborative effort to better introduce, connect, and recognize our local businesses and business community members.

2019 will mark the year of transition, where we move away from the traditional award theme of our past events and build an event more focused on introducing and connecting our regional business community. We want to create a forum where our community's business members, small and large, can join to discuss and learn about relevant issues and opportunities taking place right here in the Boundary. We also want to give our local businesses a place to showcase what it is they do and make some new connections. You'd be surprised how much talent is tucked away in our region – talent that many of us might not know exists.

All entrepreneurs, business owners, employees, executives, industry reps, and engaged residents are welcome to join. There is no need to RSVP, and there is no fee to attend. Simply mark your calendar and join us!
