The *Vital Signs* survey, created as part of a national program led by Community Foundations of Canada, provides a comprehensive, reader-friendly, easy to complete survey with the aim to look at how Boundary communities are faring in key quality of life areas.

The goal of the survey is to present a snapshot of Boundary communities' vitality and well-being. The final report brings together local data and knowledge on a wide-range of interconnected topics from health and housing to education and the environment. This will provide valuable information which the Phoenix Foundation can then use in determining their priorities.

PLEASE SHARE THE SURVEY LINK with your Boundary-area community and association members, business contacts, as well as family and friends who reside in the Boundary. The Boundary communities Phoenix Foundation serves are: Christina Lake, Grand Forks, Rural Grand Forks, Greenwood, Midway, Rock Creek, Westbridge, Bridesville and Beaverdell.

"The Phoenix Foundation is asking residents of all ages to give us a few minutes by sharing insights on life in the Boundary. We want to find out what is important to you", says Gary Smith, Phoenix Foundation President.

Phoenix Foundation of the Boundary Communities: Supporting your vision for a happier, healthier Boundary.
