Grand Forks, B.C. – Community Futures Boundary (CFB) is very pleased to announce the launch of their newly updated website.

The site features detailed information on all the programs and services offered by CFB and hosts a newly developed section (under Financing) which enables interested business clients to develop and submit loans applications online. “The new website couldn’t have arrived at a better time” notes Board Chair, David Turner, “COVID 19 really pushed us to consider how we offer services in a virtual world and we are very pleased with the new products featured on the site and with the efficiencies they’ve created”.

The new site has also adopted some of the success CFB has enjoyed with their social media feature, “CF LOVES LOCAL BIZ” which is a weekly post that features businesses in the Boundary. “We wanted to tell folks in the region, and beyond, about the amazing small business community we have here in the Boundary”, notes General Manager Jennifer Wetmore, “and we felt that rather than just promoting our programs and services, it made sense to use all our communication tools to promote everything that is amazing about business in the Boundary”. The content will grow over time, but the focus will stay the same – telling the story of businesses in the Boundary.

CFB invites you to check out www.boundarycf.com and take advantage of all the programs and services available.
